### **FSA Dependent Care Eligibility:**

Section 125 of the Internal Revenue code states that if you have a child in an eligible FSA plan that is under age 13, daytime education program fees are eligible for reimbursement items. Since this course of instruction is designed for older children, use of FSA may not be possible.

## Education Program Guidelines

### Designed for Grades 7 – 12th

#### **Camp Dates and Times**

**August 21 - 25**

Hours will be 9 a.m.-3 p.m.

Students may be dropped off after 8:45.

Please pick up promptly at 3pm.

#### **Drop Off and Pick Up:**

A staff member will sign in each participant at the beginning of the day. At the end of each day, a staff member will sign out the student to their parent. If the person picking up is not the person on this Registration Form, a signed letter must be submitted prior to pick-up. Use any of our 3 parking lots.

#### **Lunch:**

Students will have lunch at approximately 11:30 each day. Lunches are stored inside a cool building, but not refrigerated. Water, sports drink or juice are recommended.

#### **Sun and Swimming:**

Please provide sunscreen and a towel. Supervised campers will be wading or swimming in shallow water only - if concerned, provide your child with a *life jacket. (No swimming during foul weather.)*

## Other Available Programs

### Boats and Boatbuilding

Take a tour of our boatyard and museum. Visit our boat shop and experience how boats are designed, built, and maintained.

### Smithing

Experience the lost arts of blacksmithing, coppersmithing, and cooperage. Each of these trades was essential to boat construction, operation, and the daily life of those aboard ship.

### Rope and Rope Work

No pun intended, ropes were the essential items that held all maritime things together. Try your hand at making rope, using rope for caulking and other uses, and knot tying for work and for recreation.

### Sailmaking and Sail Use

In the days of sailing ships, every sailor had to know how to make and repair sails. This difficult job required patience, strength, and talent. In addition to making sails, weather permitting, you'll go aboard a sailing schooner and learn how to set and lower sails.

### Rowing

Of course, you'll need to know how to row boats to get ashore. So, we will devote a segment of the course to rowing a skiff or canoe and to learning a bit about boating safety.

### Conflicts and Weather Plan

Schedules may shift in response to personnel or boat availability. No one will be in/on the water during periods of dangerous weather.
